## **CSA Celebrates National Volunteer Week April 12-18, 2015**

**This week, April 12-18, 2015, is *National Volunteer Week* – a time set aside for inspiring, recognizing and encouraging people to seek out imaginative ways to engage in their communities. It's about demonstrating to our communities, our cities, our states, our nation that, by working together, we have the fortitude, the desire, and the prayerful spirit to meet the toughest of challenges and accomplish the greatest of goals.**

**On behalf of the CSA Board of Directors, the staff, and the residents of our program, we want to thank every one of our wonderful volunteers for the commitment, compassion and love that they have shown to our organization and the men we serve through their selfless volunteerism and generous support!**

**You mean so much to all of us, and we thank you from the bottom of our hearts!**

**With deep gratitude and genuine appreciation,**
